# NAII Annual Trash Bash Houston 2023

On September 18, 2023 at 9:00am the Houston Plant invited employees from all departments to participate in the Annual NAII Trash Bash Activity. We welcomed employees from the admin area including all levels of management. We met in the Admin Patio Area for to pass out buckets, trash bags, and gloves. Then ventured off to various locations to pick up any items that do not belong including any type of debris, bolts, nuts, wire, wood, metal, paper, plastic, etc. This activity is for outdoor areas only. See below pictures for a what was picked up during the walkthrough, not all items were included in the picture. We had a great turn out of over 30 people from all departments.
