【Comment from Shoko Sasaki】

Thank you very much for supporting me.

I was able to win the “Hisako Higuchi MITSUBISHI ELECTRIC Ladies Golf tournament”, following the “Stanley Ladies Golf Tournament”. I am very happy that I could accomplish the goal which I set in the beginning of the year: to win two times in this season.

Although only few games left for the season, I will not be satisfied with my present result and try my best to win again.

I really appreciate your continuous support.

Nippon Shokubai will continuously support Shoko Sasaki who is expected to have a bigger success in the future.
