(Updates to previously disclosed information) Notice of Decision to Construct New Plant for LiFSI (IONEL™) used as Electrolyte for Lithium-ion Batteries

NIPPON SHOKUBAI CO., LTD. (the “Company”) hereby announces further updates regarding construction of a new plant for IONEL™, based on previously announced in our “Nippon Shokubai Strengthens Domestic Supply System for LiFSI used as Electrolyte for Lithium-ion Batteries - Project for New Plant Construction in Japan -” on September 12, 2024, was resolved at a meeting of the Board of Directors held today.

Please refer to the previous disclosure material dated September 12, 2024, for the overview of the plan. Company estimates the impact of this transaction on its consolidated earnings for the fiscal year ending March 31, 2025, will be negligible, however, it will announce immediately if any material matters that require disclosure resulting from future developments.
