### Notice Regarding Unauthorized Access to Our Servers

NIPPON SHOKUBAI CO., LTD. hereby announces that unauthorized access has occurred to a part of our group's servers. We are currently conducting a thorough investigation into the scope and impact of this incident with the support and guidance of external cybersecurity experts. While it will take some time to fully assess the situation, we would like to share the information available as of now.

We sincerely apologize for the concern and inconvenience this may cause to our business partners and all related parties.

#### 1. Background

On May 27, 2025, we confirmed that unauthorized access had occurred on certain servers within our group. We immediately began an investigation with assistance from external experts.

#### 2. Current Situation and Future Handling

Currently, we are working in cooperation with the system company and other related institutions, with receiving reports and advice from them. The details of the situation are currently under investigation, but at this point, there is no interruption to production and sales activities.

#### 3. Impact on business performance

Moving forward, if any matter requiring disclosure arises, we will promptly disclose it.

We take this matter seriously and are working hard to strengthen our security measures and prevent a recurrence of this incident. We would like to apologize again to everyone related to this matter.
